Acquisition Opportunity

Acqius has been instructed to find an acquirer for a highly successful London based SPORTS, MEDIA AND ENTERTAINMENT TECHNOLOGY business.

Key Highlights

Dynamic media technology company delivering cutting-edge strategic consulting, innovative SaaS products, and expert professional services to the sports, media and entertainment industries.

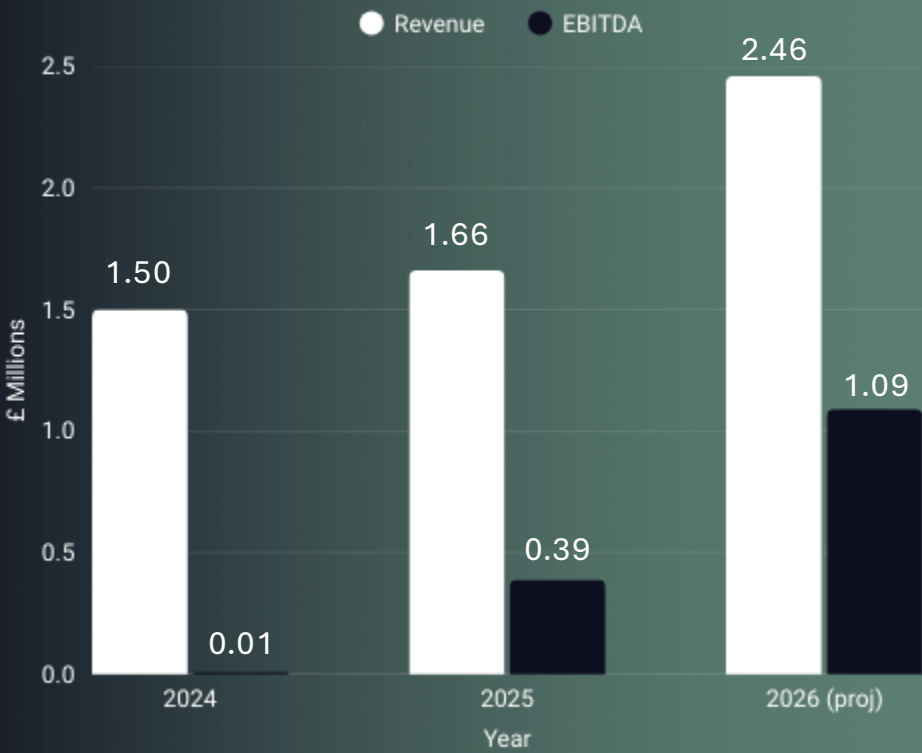

The Company has a reputation for **transforming content delivery, data management and user experiences.**

- Proven Expertise**
A trusted partner to global media brands, broadcasters, and OTT platforms.
- SaaS**
World leading platforms – fast growing.
- Advanced Technology**
Pioneering next-generation media solutions for seamless content distribution and enhanced audience engagement.
- Scalable Solutions**
Tailored products and services designed to elevate media performance and user experience.
- Opportunities for Growth**
Well-positioned for expansion, capitalising on the surge in streaming, digital transformation and AI-driven content strategies

Huge potential for expansion for the right acquirer - **OFFERS INVITED**

Summary Financials

Revenue & EBITDA (Current & Projected in £M)
