

# INTRODUCING: PROJECT PACIFIC

enquiries@acqius.com acqius.com

## Rare Acquisition Opportunity

Acqius has been retained to find an acquirer for a **world leading** manufacturer of **Hazardous Area** Lighting Fixtures and Controls.

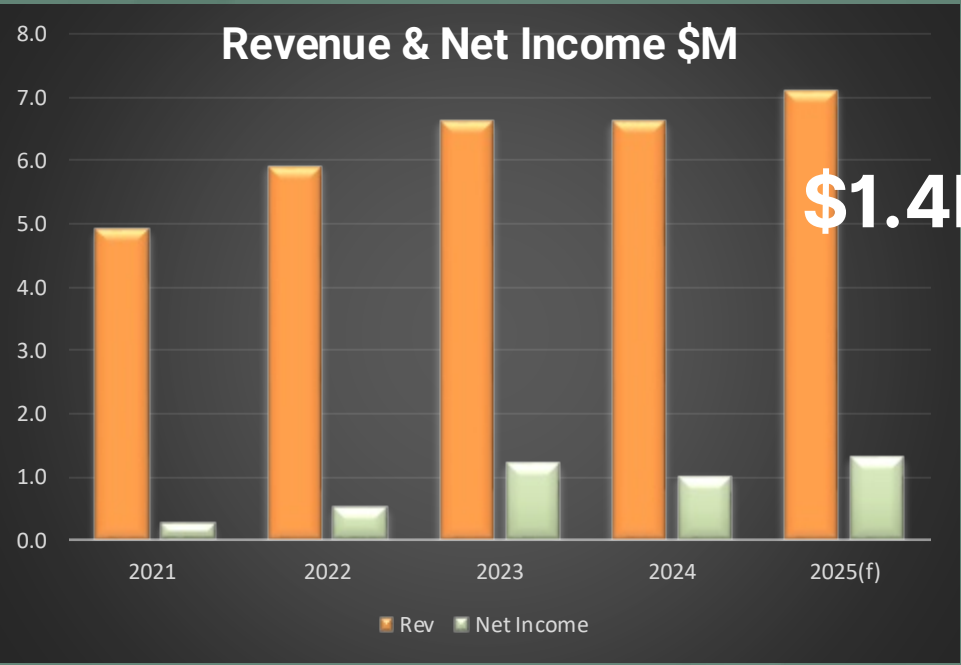

## Key Highlights

Portable work lights, tool-like reliability, built for the toughest conditions. Core product line has been developed and certified for demanding applications requiring portable Explosion Proof Lighting. The Company has a reputation for almost indestructible products that just don't fail.

- SUPPLYING OVER 50 DIFFERENT INDUSTRIES**  
Energy, Chemical, Aviation, Utilities, Defence, Transportation, Marine, Manufacturing, Petrochem...
- FORTUNE 500 CUSTOMER BASE**  
Impressive, wide reaching and very loyal customer list.
- WORLD-CLASS PRODUCT PORTFOLIO**  
The envy of many competitors, years of product development and customer feedback has resulted in what is regarded as the best range of products in this industry anywhere in the world.
- STABLE GROWING REVENUES – SOLID PLATFORM FOR GROWTH**  
The past 5 years demonstrate incredibly loyal customers with repeat demand plus steady growth year on year.
- ONCE IN A LIFETIME OPPORTUNITY**  
A unique brand with strong revenues, high margins and world-class clients – *it has been said that revenues could be doubled / trebled within 36 months with the right distribution channels.*

Huge potential for expansion for the right acquirer - **OFFERS INVITED**
